TEAM SPONSOR OR LEAGUE DONATION

Dear Sir or Madam:

The Bluegrass Girls Fastpitch Softball League has been in Lexington for seven years with amazing growth each year. In 2003, we incorporated under the name of Bluegrass Girls Fastpitch Softball. We currently have teams in place for 350+ girls from age 6-18. Thanks to LFUCG Parks & Recreation, Bluegrass Girls Fastpitch has a new "Home" Field Complex at Cardinal Run Park off Parkers Mill Road. League members converted the existing baseball field into softball in the spring of 2004 and built a new field adjacent to it during 2005 and 2006. This has enabled the league to hold its own tournaments, generate its own revenue and has greatly improved the quality of the experience our girls receive, grow in, and will remember for the rest of their lives. Our next capital project will be construction of an equipment building to house our league's growing equipment inventory and a cover for our batting cages to allow for practice during inclement weather.

Our girls would greatly appreciate your help and support. Our greatest source of revenue is through fund-raisers, corporate sponsorship and donations. Therefore, the BGF Booster Club is asking companies to **sponsor our teams or make general donations**. The sponsor fee for each team is \$300. Your company name will be placed on a 3 x 5 banner that will hang on the outfield fence for the length of our 2009 season (April-October). Displaying your company's name on a banner is an excellent means of advertisement for your business, helps to form good public relations, and shows support for the youth of our community. If you sponsored a team last year (2008), last year's banner can be re-used and the sponsorship fee will only be \$250. General Donations in excess of \$300 will also receive a banner.

Your support of the Bluegrass Girls Fastpitch Leagues will help to improve the positive impact and future growth of Lexington's female athletes and make this year one of the best ever.

Sincerely,

The Bluegrass Girls Fastpitch League
